

REGISTERABLE OPEN HEIFERS

Heifers are sold in groups with the option of picking one or more.

The highest bidder can pick from the pen or purchase the remaining group for the same price.

Add \$40/hd at settlement and we will register them for you.

Index values on registerable heifers are an average of the sire and dam.

CEZ - Calving Ease Index is an index developed to express overall calving ease. This calculation is used only within Rausch Herefords.

We use CED, BW, and CEM EPD's to determine \$CEZ.
